The Power of Theatre

Laughter. Tears. Heartache. Rage. Delight. Enchantment.
Theatre has the power to move you. From the funny and farcical *Scapin* to the somber and penetrating *Blues for an Alabama Sky*, the Alabama Shakespeare Festival is working hard to bring you the best that theatre has to offer. **Join our family of contributors today, and help bring the power of theatre to life.** Call our Development Office at (334) 271-5339 to find out how you can make a difference.
